Primary Pupil Acceptable Use Agreement

Dear Parents & Carers,

Your children will be bringing home a copy of the Primary Pupil Acceptable User Agreement. This document will be signed by all pupils in the Southernly Point Cooperative Multi Academy Trust. All staff are also to sign something similar. It is necessary for it to be a universal message for pupils from the age of 3 to 11 and therefore it is important that younger children have the opportunity to talk to adults about it. It is essential that this agreement is in place for two very simple reasons;

1. To keep your child safe when using the computers in school.
2. To maintain the school ICT system as a safe place for your pupils.

I talked to all pupils in assembly yesterday to pass on this message. I hope you will sign and return a copy to school for our records. If you have, any questions about the form please contact the school and I will be happy to answer any of your concerns.

Tuesday Morning, and Mullion saw a light dusting of snow (much to the delight of the children and some who may never have seen snow before). and then overnight.....

The amount of snow overnight made travel hazardous and the school closed for the day.

Thank you to everyone for your co operation and hopefully you all made the most of the snow!

WAVES

On Wednesday 31st January, eleven pupils from Year 5 spent the afternoon at Goonhilly Earth Station where they listened to a presentation from BBC Astronaut winner Suzie Imber. Before heading off, they discussed and devised questions with the whole Year 5 group which they later asked Suzie. She really is quite an inspiration with her main message being to strive for achieving what you cannot yet do! Now that is growth mindset in action!

What a busy couple of weeks Footprints have had. They have been busy completing their most recent Writers' Workshop challenge – a non-chronological report about a rainforest creature. Here are photographs of Footprints making the first stages of their collages to display alongside their finished writing.

World Book Day- Thursday 1st March

World Book Day is almost upon us once more and we have an awesome day planned....

- ◆ Non Uniform Day
- ◆ We are asking the children to come to school dressed as their favourite book character.
- ◆ A 'Reading Tall' Challenge
Each class have been set the challenge of bringing in any unwanted books from home and competing to building a tower of books as tall as their teacher! They can bring them in any day leading up to World Book Day. We will then use these books in our school library. The winning class will win the coveted reading challenge prize.
- ◆ 'Bake for Books' cake sale
Firstly, we are asking for cake donations for our bake sale. Please send any donations in on Thursday 1st March. These will be on sale for 20p per cake on World Book Day. Secondly, we are holding a 'Bake Off Book Cake' competition where the children can enter a cake or set of cakes with a book themed design.. These will be judged then eaten later in the day! The winner will receive a fabulous prize!
- ◆ Scholastic Book Fair
This will be in school from Thursday 1st March (after school) until Wednesday 7th March. It is a great opportunity to explore some new authors, dive into reading as a family and really discover the world of books.
- ◆ Mad Hatter's Tea Party: OUR LIBRARY GRANDE RE-OPENING!
We are hoping that the library furniture will arrive during half term and that the library will be ready to launch with a Mad Hatter's Tea Party! This is to be confirmed, but we really hope we don't have to *shelve* the idea!!

Next session 26.02.18 at 2.30pm until 3pm
