20.07.2018

Dear parents,

I am pleased to announce that from September until April I will be spending four days each week working with the team at Mullion C. P. School as your head teacher. This year we have started a great deal of exciting work and we are seeing the benefits of it already. I am excited to be part of the development of the school. We have a lot to achieve and I am looking forward to working in partnership with parents and the wider community throughout the year.

I am remaining as executive head teacher at Porthleven supporting the team there to manage and lead the school during this time.

In the meantime I hope that you have a fantastic summer break.

There have been some **AMAZINGLY** motivated readers this year and these are the top readers in each class.

## Book Fair

This year, a staggering £464 was spent at our book fair.

Not only does that mean the children are enjoying these books at home, but that we have £186 to spend on books for school also.

You should have seen information about this year's library reading challenge. Get down to the library and join in the fun! Alongside this, we are running our own challenge—to read in 30 unusual places. Please send your photo's in (if you can), but most importantly get engaged with the reading—talk about it, dive in together and make the most of the summer of reading challenges.

# Pebbles Assembly

## Pebbles

What a wonderful end of year assembly! Pebbles enthusiastically delivered the 'alphabet of learning' showing that they are ready for the challenges of KS1.

Thank you to all the people that contributed to making it such a successful year!

Mrs Ellis & Mrs Higgins

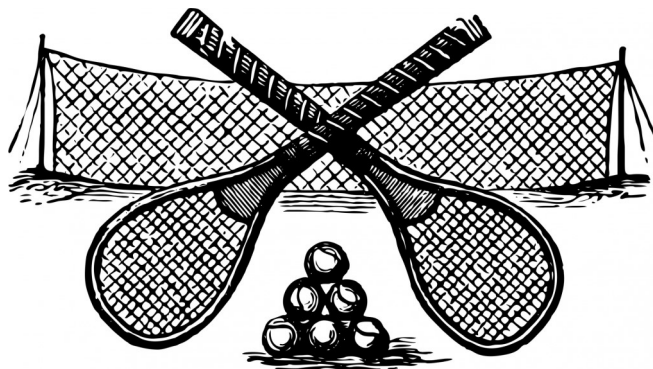

Mrs Ciballi & Mrs Mitchell

Thomas sent us this lovely photo of his prize Sunflowers.

Well done Thomas!

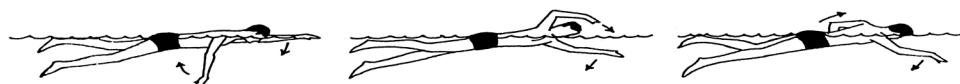

## Farewell to Mrs Carthey

P.E Co ordinator / Class Teacher

Staff gathered on Poldhu Beach last Friday, early evening to wish Hayley (Mrs Carthey) and her family a fond farewell. She will leave for Litchfield in August and commence her new teaching post in September.

Much Pizza was eaten and it was lovely to see staff and their young family members all having fun.

Surfers Production – Mystery at Magpie Manor

What a fantastic show Surfers put on for us when they performed 'Mystery at Magpie Manor.' They all put every effort into each performance as well as learning their lines, providing props and creating costumes.

Thank you to everyone who came and watched and supported the event.

Whole School Beach Day!

Well done staff & helpers for keeping everyone safe!

The children were so excited by it all!

*Thank you Mr Carthey and the crew from RNAS Culdrose!*

# Gardening Club 2017-2018

The club has been well supported by the children of the school. They have been very busy this year with planting vegetables and flowers around the gardens and poly tunnel.

We have been helped by Mr Glosby (Harry's dad) who has helped motivate the boys in digging, weeding and watering.

We have been successful in the Mullion Horticultural Show. We won the Hanging Basket cup – again. We also won the Best in section for the Confined section with our cucumber which meant we have another big cup. The children made plant pots which was fun to make getting very messy.

Due to the very hot weather a lot of the produce has either been scorched or dried up – but – we have melons growing in the poly tunnel. This is a first for the club. So we will find out later if all the fruit set and we have melons when we come back from our holidays.

Next year 2018–2019 we need to do some serious fundraising to replace some equipment and to buy next years seeds. If anyone has any ideas for us please contact me.

During the Autumn half term break we need to clear out the poly tunnel and give it a good clean. I will need some helpers for this as it is a big job. In fact if anyone would like to help with the club you would be most welcome.

Next term the club will move to a Wednesday evening after school.

Thank you to all the children who have participated in the club – I look forward to seeing you next year.

This year show winners were :

1st Decorated Plant Pot ~ Harry Glosby
