Thank you for supporting the Harvest Festival. I am sure that the many parents and friends that attended enjoyed the children's singing.

You will see that we are launching our school forum on 7th November at 9a.m. This is an informal get together so that we can talk about your school. We will hold 3 of these per year. Please come along to the first one to have a chat and a cup of coffee and a biscuit.

Have a lovely Half Term break everyone!

BF ADVENTURE 2019

We currently have 27 pupils signed up for this visit and need 38. Please pay the £50 deposit via parent pay by 1st November to secure your child's place.

Head Lice

We have had some reports of Head Lice this half term so please check your children over half term. Can we also ask that children's hair is tied back if longer than shoulder length please.

Early arrivals

We are still seeing some pupils arriving unsupervised before 8.45a.m. Due to Health & Safety this is not allowed and children must report to Breakfast Club if they arrive without an adult.

Thank you for your co operation.

Poppy Appeal Coffee Morning

It is on Saturday 27th October at Mullion W. I. Hall (I think it's called Mullion Village Hall now) from 10am until 12pm. There will be a cake stall, a raffle, books for sale as well as tables selling new and used items. Everyone is welcome and if anyone wishes to help, donations of cakes for us to sell would be greatly appreciated and can be dropped off at the Village Hall from 9am Saturday morning.

ParentPay

This is our preferred method of payment at school (with the exception of lunches, as this service is provided by Chartwells).

Any parent needing activation letters or a barcode to pay for an item with cash, please ask via email or send a note via book bag. secretary@mullion-ji.cornwall.sch.uk

Contact Details

To safeguard your child we need 2 emergency contacts for your child/children please. If you know that we only hold one emergency contact, can you please send in details for a second nominated person.

Can all parents/carers also ensure we have your up to date phone numbers, email address, home address and any change in circumstances etc. Thank you!

HARVEST DONATIONS

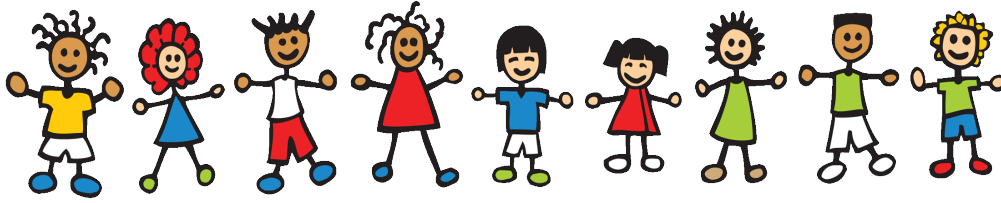

Thank you for your very kind and generous donations for the Harvest Festival. The centre piece was a very large loaf of bread and made by one our pupils Great Grandmas: Mrs Pearl Peters, and what a master piece it was, complete with a hungry bread mouse on top. All donations were given to the foodbank. **Thank you!**

SCHOOL LIBRARY

Mrs Bennett has collected 100 new books from the Educational Library Service last Friday and will collect a further 75 books for the next two terms.

CLASS NEWS

Footprints have more to celebrate this week with their poems having been sent off and entered in the Young Writers' 'Poetry Wonderland' competition.

They have also been very busy producing poppy art to mark the Centenary of the end of the First World War. The artwork along with poems from Surfers and art from Waves will be on display in the Chapel soon. They really have done well - if you are able to, please visit the display.

Waves

We have been delving into creative writing and have written engaging narrative openers. This week saw the last of our Mullion Gym sessions where we have been learning the 'Key Steps' for gymnastics such as kart wheels and handstands. We have also completed our reading assessments. Please make sure you take a look in Reading Records for the expectations of how they are used to support active reading.

HARVEST FESTIVAL

First of all a very big well done to all of the children for their contribution to the Harvest Assembly at the Chapel. We were pleased with how clearly and loudly they spoke whilst remembering all of their actions. Many thanks to you, the parents, for supporting the event.

FABULOUS!

Join us for a coffee

Wednesday November 7th. 9.00 am.

At Mullion C. P. School

We need your views and ideas !

I'd like to invite you to join me, some of our staff members and some governors for the first of our new coffee morning get-togethers.

This is intended as a chance for you to have a relaxed time while the children are in classes, to have a chat, share ideas and to get to know the team informally.

We hope that by getting together in this way, you will have a chance to have a positive influence on Mullion Primary School's future as it develops.

Over a cup of tea and a biscuit we would like to hear your views and ideas on the future of the school or of course you can just come along and listen.

We would like to know:

What do we do that you want us to do more of?

What do we do that you don't understand or would like us to change?

What would you like to see happen in the school in the future?

Join us from 9.00 straight after drop off in the school hall early in the new academic year.
