## 'Lets End Street Homelessness' Poster Competition

In the most recent national Rough Sleeping Count, Cornwall had the third highest number of people sleeping rough—99—behind only London and Brighton. The geography of the county and its rurality make it hard to find everyone, so it is likely that the actual number of people sleeping out is higher than that.

St Petroc's offer a diverse range of services to give hope and vital support to ensure each and every homeless person is given the help to rebuild their lives.

### Brief entry details:

Create a piece of art or a campaign poster on the theme of Homelessness. Work can be in any 2D medium, including photography and digital art work (not film or animation) and no bigger than A3.

Closing date is 5pm on Friday 24th November 2017.

For more information either pick up a paper copy from reception outlining all details or visit: [www.stpetroc.org.uk](http://www.stpetroc.org.uk)

Cash prizes awarded to First, Second and Runner ups and also to the school.

## Congratulations

**Congratulations to Mrs Bonell who has secured a new teaching post in her home County of Cheshire. She will join her new school in January. She will be greatly missed by staff, pupils and parents at Mullion C. P. School. I am sure you will join me in wishing her the very best in her future career.**

**This obviously poses the school a challenge to appoint her successor. Please be assured that the management of the school is working hard to ensure that the best possible appointment is made.**

**We interviewed for a new Teaching Assistant to work in the Pebbles Class today. This is the beginning of building a new team to support your children in the early years of their learning. I am pleased to announce that today we did appoint a new Teaching Assistant but I am sure that you will realise we have some final arrangements to make before we announce who this is.**

Poppy Day Museum  
Open from 2.45pm this Friday the 10th in the Hall. Please join us. All donations will go to The British Legion.

## Christmas Fair Day

Donations of cakes will be gratefully received at reception during the morning (and we will try not to eat them) Either hand baked or shop bought. Any cakes that can be sold in our Christmas Café or individually at our Cake Stall.

**After a few reports of head lice last week, please see a parent's fail safe treatment.**

Cover the child's hair in conditioner (any type, even cheap conditioner will do). You will need at least 125ml to 250ml.

Then cover child's hair with a carrier bag (like a turban) or cling film, and make sure there is no air under the bag. ( Never leave a child unattended with plastic bags.)

**DO NOT LEAVE CHILDREN UNATTENDED WITH CARRIER BAGS.**

Leave on for about an hour.

Remove the bag and comb the hair out over a sink or bath. Keep combing for about half an hour. Any lice will be suffocated and come out in the bath.

Rinse out conditioner and shampoo/dry as normal.
