Objectives & Mission

“Inspiring, challenging and motivating people, especially young people, to develop their life skills to bring about positive change”

About BF Adventure

Set in our beautiful 60 acre site with stunning views towards Falmouth Bay, BF Adventure uses the outdoor environment to positively influence the physical and mental wellbeing of disadvantaged, disabled children and vulnerable adults in Cornwall. Every year BF Adventure runs over 10,000 activity sessions helping over 4,000 children to believe in themselves and gain the skills and accreditations to help them succeed at school or further education and to find employment.

Fun and Adventures for All

To help fund these charitable programmes BF Adventure also run Adventure sessions. Fly down the zip wire or try your hand at archery, rock climbing or abseiling. Enjoy water activities including canoeing and raft-building in our flooded quarry or explore the site on our bush craft and orienteering sessions.

Adventure sessions include children's holiday adventures (no parents required!), family days, stag and hen parties, corporate team building, Scouts, Guides and school groups and birthday parties for all ages.
