

# Create a story map to retell the story.

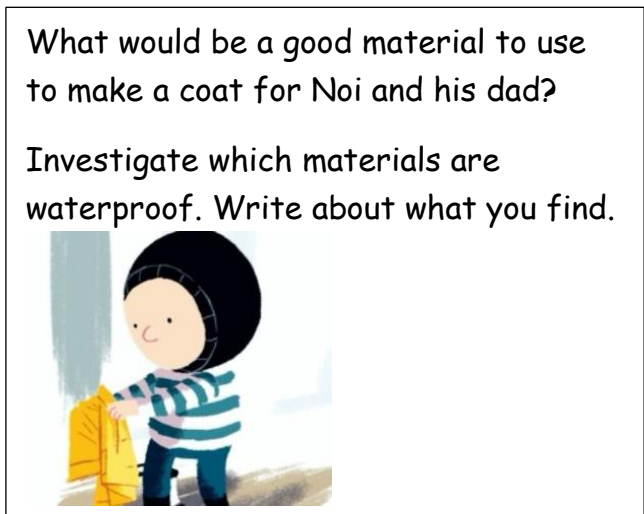

Write a letter to Noi with advice about what he should do about the whale. Should he keep it a secret? What would you do?

A cartoon illustration of a young boy with dark hair, wearing a blue and white striped shirt and blue pants, watering a large, dark blue whale. The boy is holding a red watering can and pouring water onto the whale's back. The whale is lying on a patch of yellowish ground. The background is white.

What would be a good material to use to make a coat for Noi and his dad?

Investigate which materials are waterproof. Write about what you find.

A cartoon illustration of a young boy with a black hood over his head, wearing a blue and white striped long-sleeved shirt and dark blue pants. He is holding a bright yellow raincoat. The background is a simple light blue and white wash.

# The Storm Whale

## Challenge Grid

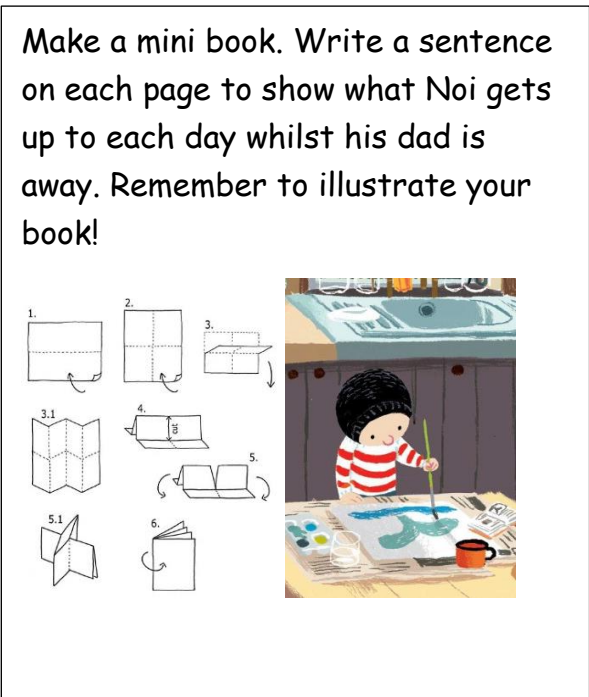

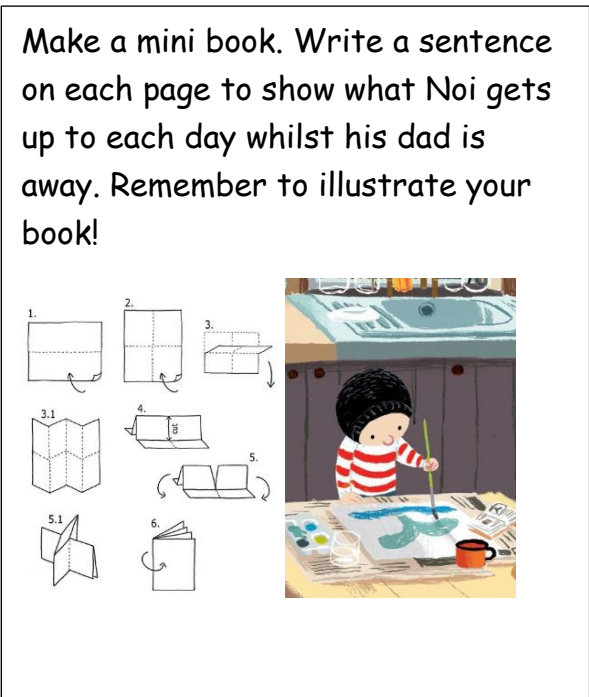

THE STORM WHALE

Benji Davies

Make a mini book. Write a sentence on each page to show what Noi gets up to each day whilst his dad is away. Remember to illustrate your book!

Design and make a game that Noi could play when he is on the beach alone waiting for his dad.

A cartoon illustration of a young boy with dark hair, wearing a blue and white striped shirt and blue pants, running happily on a sandy beach. In the background, there is a blue ocean, a sandy dune, and a small wooden bench with a red bag on it.

Write a newspaper article about a whale washing up on the beach.

# Research whale species and their habitats. Make a fact file.

The blue whale's biological name is the *Balaenoptera musculus*.

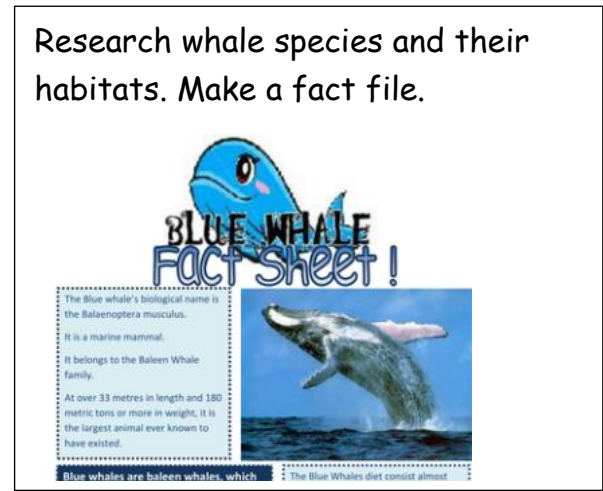

It is a marine mammal.

It belongs to the Baleen Whale family.

At over 33 metres in length and 180 metric tons or more in weight, it is the largest animal ever known to have existed.

Blue whales are baleen whales, which

the Blue Whales diet consist almost
