## Just a few reminders

### Parking

Whilst dropping off and picking up outside school please be mindful of the safety of all pupils and do not park near the entrance to school. It is also important to be thoughtful of our near neighbours and not block drives.

### School opening times

We ask that pupils are not on site too early in the morning unless they are using the breakfast club. The doors to the school and the gate to the junior playground opens at 8.45 in order to give pupils 10 minutes to get ready for the start of registration at 8.55. There are activities in class arranged from 8.45. in the new half term

## Harvest

We are asking for contributions for harvest hampers. We would greatly appreciate donations of non perishable goods that we can offer to the Chapel to raise funds for their charity.

Please send in donations (tins and packets) by Monday 25th September.

We hope you will join us for our Harvest Assembly at **Mullion Chapel** on:

**Monday 2nd October at 9.45am.**

## Piano & Guitar Lessons

Mr Burgoyne currently has 7 places available to any child wishing to learn. Fees are £60 per term payable in advance. Just send any request in via your child's book bag.

## Violin Lessons

Teacher Hannah Sedgwick is available for lessons. Fees are £62.50 per term. Please contact her on: 07969 841887

## Communication

In all schools communication is vital. Alongside the changes to the registration system we are asking all parents to resend their email addresses to school. A note will come home today for you to complete. This will allow all parents to view a live online diary for the school which will have all updates and events. It will also make it possible for parents to communicate directly with school via the website. It will take some time to get this operational and I thank you for your patience.

## Attendances and registers

Registration closes at 9.05 and if your child is not in class at this point they will be registered as late or absent. If they arrive after 9.05 they will be asked to inform the front desk of their arrival.

We are introducing a new electronic registration system that is quicker and more efficient after the half term break.

It is very important that pupils gain the highest attainment possible so that they do not miss any teaching points.

## School Office

The School Office appreciates you sending all correspondence in to school by book bag method. This not only assists with office efficiency but enables your child to become independent.
