Multi-Academy Trust

18th June 2018

*There was a near miss outside school last week due to parents parking and dropping off children on the yellow zig zag lines. I have asked the Neighbourhood police officer to visit the school regularly to ensure pupils safety. I urge parents to walk to school wherever possible and to be mindful of the yellow markings outside school if they travel by car. I have begun making plans to address the congestion around the entrance to school and the parking around that area.*

*D. B. B. B.*

Attendance so far this year (target 96.5%)

Pebbles	93.42%
Shells	93.57%
Footprints	94.47%
Waves	94.44%
Surfers	93.77%

## Trips and Activity Payments

Can parents please pay any outstanding monies for trips or activities via their parent pay accounts. If you would like to pay cash at a pay point in the village then please ask the school office to issue a barcode.

Thank you for your co operation.

Porthleven School has applied for The Jewson's Community Prize and have made the shortlist! They now need votes, and a lot of them! They have applied for 48k to build an outdoor shower and toilet block. **VOTE for PORTHLEVEN**

SCHOOL!! <https://www.buildingbettercommunities.co.uk/reg>

## **Reminder:**

Children arriving before 8.45am need to book in to Breakfast Club.

No child should be on the front playground before this time.

## **Your school needs you!**

The annual schools competition is back. The chance for one lucky entrant to win £5,000/€5,000 of National Book Tokens for their school - enough to buy hundreds of new books for the library.

And just in case that warm, fuzzy feeling isn't enough, the winner also gets £100/€100 of National Book Tokens to spend on themselves! The competition ends on 31st July 2018

*Self help Self responsibility Equality Equity Democracy Solidarity Openness Honesty Social responsibility Caring for others*

Year 1's have really shown all their hard work throughout the year this week when undertaking their Phonics Screening test. We are so proud of their positive attitude towards it and have loved seeing the progress they've all made this year.

Well done!

Miss Whear and Mrs Ellis

Shells loved making (and eating) pizzas with Chartwell's this week, showing off their creative sizes when shaping their dough and designing their toppings. I think we have a few future chefs amongst our class!

## Y6 SAILING

More fun for Y6 at this week's sailing lesson. Mr Holyer definitely seems to be enjoying it. Well done for your excellent behaviour Y6!

Mrs A. Fishwick, Mrs S. Griffiths,  
Mr M. Holyer and Mr. G. Lake

## Year 6 Transition Morning

Our Year 6 children spent Wednesday morning at the Comprehensive School for their first transition session. They were very excited to hear what tutor groups they will be in and enjoyed the activities that they took part in.

The next transition day is Tuesday 26th July and is an all day event. Please be reminded that the children will need to get themselves to school and organise how they will be getting home. The primary school will have no contact with them on this day. We hope they have a great time and this really prepares them for their time at the Comprehensive School from September.

Mrs Carthey, Mrs Fishwick and Mrs Wood

# CLASS NEWS

Waves Class have been taking part in SRE lessons and found out a great deal about themselves and the changes they will go through. They have also been working hard on editing and improving their time-travel narrative which was inspired by Helen Peters at the recent literary festival. In maths, they have been learning strategies of multiplying and dividing by powers of 10.

Mrs Read and Miss Harding

Footprints have been developing their computing skills by producing some very interesting and informative PowerPoints on The Stone Age. Aspects of Stone Age life such as Cave Art, hunting methods, living conditions, food etc were all included in some really creative slides. They've also been putting their knowledge of the topic to good effect in their writing by producing some exciting stories set in the period. Their vocabulary and use of English is improving all the time. The focus in Maths has been on Shape, covering aspects such as regular and irregular shapes, angles, perpendicular and parallel lines. So if they come home talking of polygons, quadrilaterals and obtuse angles, you know why! Well done Footprints.

Mrs Pollard, Miss Hayhurst and Miss Francey

SPORTS DAY

# FRIENDS OF THE SCHOOL

## Sports news

### Sports Day

Wow! What a fantastic event! All of the children represented their houses in such a fantastic manner and earned thousands of points for their teams across the afternoon.

**This year's overall winners were Poldhu!**

Awards for 'Excellence in P.E. and Sport' were awarded to: Billy, Inca, Chris, Josh and Ellie.

The Anne-Marie Memorial Trophy was awarded to Ellie Brown.

A big thank you to everyone who came to watch, cheer up us all and our brilliant sports leaders who ran the events. We hope you all enjoyed the fantastic refreshments supplied by parents and served by members of the 'Friends of Mullion.' We raised £185 from refreshment sales across the afternoon which will be spent on things in school for the children to enjoy. Thank you to everyone that helped out.

### Cluster Sports

What an amazing afternoon we had at Cluster Sports on Wednesday. We took children from Years 3-5 and met all of the year 6 children after their transition morning. We were absolutely thrilled at how many 1st, 2nd and 3rd places we got through the afternoon and it was great to see how many children got involved.

Overall, the team were announced CHAMPIONS at the end of the afternoon and we will proudly hold the trophy in school for this year. Well done to everyone that took part and for all the spectators who came to cheer us on.

*Pictures are on the front cover.*

### R Time awards

Showing good manners at all times:

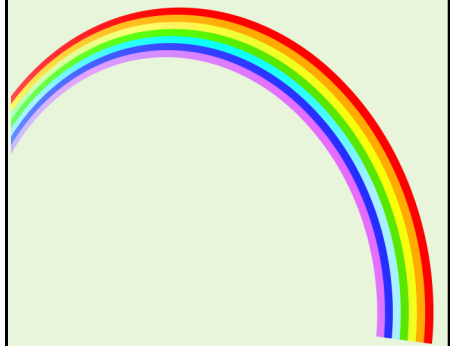

Willow B, Luka M, Thomas L, Leo C Maddie L, Kaleesi W, Rebecca R, Bobby Wilkinson and Lola W
