PUPIL ATTENDANCE POLICY

The school is committed to providing a full and effective education to all pupils, and embraces the concept of equal opportunities for all. We will endeavour to provide an environment where all pupils feel valued and welcomed. School attendance is subject to various Education laws - this Attendance Policy is written to reflect these laws and the guidance produced by the DfE and Cornwall Council. This policy applies to all pupils.

For a child to reach their full educational achievement, a high level of attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils, and their parents or carers, the importance of regular and punctual attendance.

School staff work with pupils and their families to ensure each student attends regularly and punctually. There is an effective and efficient system of communication with pupils, parents and appropriate agencies, to provide mutual information, advice and support. The school has a system of incentives and rewards, which acknowledge the efforts of pupils to improve their attendance or time keeping, and will challenge the behaviour of those parents who give a low priority to attendance and punctuality.

The school will:

- Review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.
- Examine its attendance figures and set attendance targets annually. These will reflect both national and county attendance targets.
- Liaise with outside agencies to improve attendance, or deal with attendance issues.

Pupils / students are expected to:

- Arrive on time at 8.45am and register at 9.00am promptly each school day.
- Register at School Office if they are late.
- Supply a note from parents if they need to leave the school site during the day. This must be submitted to the School Office

We request that parents/carers:

- Work with the school to ensure their child's attendance is the best it can be. Parents have the primary responsibility in this respect.
- Ensure their child arrives at school on time.
- Inform the school if their child is absent on every day the child is absent, giving the reason for the absence.
- Contact the Headteacher
- if they have concerns over their child's attendance and feel they need support.
- Make routine medical and dental appointments outside the school day where possible, or in the holidays.
- Attend before and after any appointments made within school time.

Procedures:

To support our key policy statements, the following procedures will be followed:

- The school uses an electronic system to record and monitor attendance. Teaching staff will take an electronic register at the start of each day and after lunch, which is automatically stored in SIMS.
- The school's Record of Attendance is maintained electronically and supervised by the School Secretary
- Reasons for absence must be provided by a parent/carer, by letter, by telephone call to the school office or by email to admin@mullion-ji.cornwall.sch.uk
- The school will contact home on the first day of absence if the School Office has not received notification from a parent/carer. This will continue for each day a pupil is absent if no satisfactory explanation has been given by a parent/carer.
- To assist in the monitoring of attendance members of the Senior Leadership team meet every two weeks to review those pupils with low attendance, details of previous intervention, and to formulate a plan of action. Schools should have a strategy in place whereby monitoring data is used to target attendance improvement efforts to the pupils or cohorts who need it most.
- The school will send concern letters to parents/carers of pupils who are falling below attendance targets.
- The School Secretary maintains a list of pupils who have attendance problems. These pupils' attendance is reviewed fortnightly and support measures are agreed.
- Pupils whose attendance falls below 90% are designated as 'Persistent Absentees' by the Government, and this triggers a more formal support plan. This may take the form of an Attendance Intervention Meeting with the student and parents/carers.
- The Headteacher may refer to the Education Welfare officer [EWO] where attendance remains a concern following intervention.
- If parents / carers do not respond positively to the support on offer and attendance does not improve, the school will consider implementing legal proceedings in line with the Education Act 1996.
- Details of each student's record of attendance will be included in their annual report.
- Through Parents' Evenings, the school website and letters home, we will inform parents of the importance of regular attendance. The Headteacher will include attendance as an item in assemblies.
- Attendance will feature on the agenda of mentoring sessions, Year Team meetings and other Pastoral Support meetings.
- Any Social Workers involved with pupils will be informed of any non-attendance of those pupils.

Punctuality

School registers close at 9.05am, and any arrival after this time may not be authorised, unless a valid reason is supplied by a parent/carer.

Staff will challenge pupils who do not arrive on time. If lateness persists, parents/carers will be contacted by the Headteacher.

Pupils with Ongoing Medical Conditions

While a school should not encourage non-attendance, it is recognised that pupils should not be penalised if their absence from school is related to an ongoing medical condition. Please refer to the SPCMAT Supporting Children who are Unable to Attend School Due to Medical / Health Needs Policy and the Managing Medical Conditions Policy for additional information.

Leave of Absence

Please note that, following new Government legislation, the school **can no longer authorise any leave of absence in term time** unless there are exceptional circumstances. Parents/carers wishing to remove their child during term time must apply to the Headteacher / Head of School at least 14 days prior to the planned absence, using the Leave of Absence Request Form, which is available from the school office.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444[1] or Section 444[1A] of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

The school will promote good attendance by:

- Sending letters of congratulation to those with good/improving attendance.
- Presenting certificates to those who achieve 100% attendance.
- Promoting competition between Tutor Groups.
- Making the School a place where pupils are valued as individuals within a positive learning environment.
- Seeking the views of pupils and parents/carers on School policies and procedures.
