Waves Home-Learning - Year 5

Set: Friday 6th December

Due: Wednesday 11th December

Spellings: Next week you will be tested on Orange words. Remember, these are the Year 5/6 common exception words - they break our spelling rules! The best way to practice these is to write the word, circle the part that you know you find tricky (it won't be every letter!) and think of a fun or memorable way to remember it.
