SATS Booster Club

Dear Parents and Carers,

As you know KSI SATS week is 20th - 24th May, where your child will undertake two maths papers, two reading papers and a Spelling, Punctuation and Grammar paper (SPaG).

To prepare our Year 2's before my departure, I will be holding a free SATS booster club after school from 3.15 - 4.15 on the following dates:

Monday 4th March

Monday 11th March

Tuesday 12th March

Monday 18th March

Tuesday 19th March

Monday 25th March

Tuesday 26th March

These sessions will not put any pressure on your child but will provide support and boost confidence in your child's own abilities to prepare them for their SATS papers. With me leaving at the end of the Spring term, I feel that these additional sessions in the lead up to Easter will be hugely beneficial. Year 2 will secure learnt skills in maths, reading and SPaG and practise SATS style questions with the support of an adult.

I will provide a small snack for your child.

Thank you for your ongoing support.

Miss Whear
